

Hari Agrawal is one of the founding members of MAIFS back in 1986 and later worked as secretary for 6 years. He has rejoined as MAIFS director in 2010 and currently leading Grant Committee in the pursuit of Grants for expanding and funding MAIFS efforts. He has worked for several automotive companies for the last 35 plus years in various engineering and management positions. Currently, he is volunteering at SAE Detroit Section meetings, engaged in SAE's AWIM (A World In Motion) program. He is also engaged in some Engineering Consulting.
