

Mona Sashital serves as treasurer, IT lead and volunteer coordinator for MAI Family Services. She also assists as a facilitator at the community workshops which are conducted by MAI Family Services in an effort towards awareness and outreach. She holds a Master's degree in Chemistry and Computer Science. In 2005, after 20 plus years of service, Mona retired from EDS (now HP) where she worked in various leadership roles such as Technical Leader and Project Manager. She has been a volunteer for MAI Family Services since 2007.
